

## MedConnect

Store your medication information online

**What do the physicians say?**

Your Chaperone Medical Alert System MedConnect Access Card

**AAPS** Association of American Physicians and Surgeons, Inc. recommendations:

- ✔ **Keep your doctor advised** of all medications, supplements, The list should include name, use, dosage, and how often you really take every pill, tablet, etc.
- ✔ **Update the list** every time you see a new doctor, change, add, or subtract medications, and alter dosages.
- ✔ **Make sure your physician sees your list** with each visit.
- ✔ **Your physician should keep a copy** of the medication list.
- ✔ **Try to minimize the number of pharmacies** used and keep your pharmacist up to date.

**This is where MedConnect comes in...**

After entering your current medication information, show your MedConnect Access Card to your doctor, pharmacist, or caregiver. They will easily view your medication list online and make sure you're receiving the proper care. It's that easy!

**Your Medication Information in One Single, Safe Location**

**Easy for Your Doctor, Pharmacist or Caregiver to Access**

**Included FREE with a subscription to our Medical Alert System**

## The Care Center

**Care...** the essence of what we provide. Whether getting assistance, providing reassurance, or just a friendly voice, we're there when others can't be, and happy to speak with a "member" anytime.

**Center...** because we are at the center of getting information to all the parties involved in keeping our members safe and at home, where they are most happy.

**You can have confidence** the Care Center will be there when you need it. We designed it to incorporate the latest equipment and services from the leading companies in telephony and data processing.

## Medication Management made Simple & Reliable

**Help...** Do you need help remembering to take your medication?

**Right pills...** You'll always take the right medication with the MedReady Deluxe Pill Dispenser.

**At the right time...** The MedReady Deluxe Pill Dispenser won't let you forget to take your medication. It will dispense your pills at the correct time, every time.

**We'll make sure of it...** The MedReady Deluxe Pill Dispenser will warn us through your medical alarm unit if you haven't taken your medication. We'll call you to make sure you do, and if there is a problem, we'll call help for you.
